

"Gardens and flowers have a way of bringing people together, drawing them from their homes."

- Clare Ansberry

Spring 2026

**BEAUTIFY ORCHARD PARK II
(B.O.P. II) in cooperation with the
VILLAGE DEPARTMENT OF PUBLIC WORKS**

Dear Friends,

Plans for our annual hanging basket and planter program are underway, bringing color and charm back to the Village of Orchard Park after a long winter! These baskets will once again line North and South Buffalo Street as well as East and West Quaker Street, helping to create a welcoming and beautiful atmosphere for residents, visitors, and local businesses.

The flowers are grown locally in a greenhouse and planted in self-watering hanging baskets and planter boxes to ensure they thrive throughout the season. Once ready, they will be installed on light poles throughout the Village.

This program is made possible through the generosity of our community. Donations directly support the cost of flowers, materials, and greenhouse growing expenses. Any contribution is greatly appreciated and helps to keep our Village looking its best.

Thank you for your continued support!

THANK YOU FOR YOUR SUPPORT!!
